MEMBERSHIP VICE  
PRESIDENT

5780-5781

2020-2021

## Why MVP?

I have decided to run for NFTY Northern's Membership Vice President position because not only do I believe that I am skilled enough for this responsibility, I have both the hard skills and soft skills needed to create and lead small activities and whole events. I also feel that the board would benefit from representation and influence from a small region like MiTY. Lastly, I like how even if MVP is a respected position on the board I feel like it works with my already busy High School schedule.

## ABOUT ME

**Grade and School:** 10th grade at Nicolet High School in Glendale, WI

**Favorite Jewish Holiday:** Purim

**Favorite Food:** Spaghetti and Meatballs

**Favorite Pass time:** Writing WW II novels

**Favorite guilty pleasure song:** Falling for ya

**Quote:** "Shabbat is just a date with G-d"

## Maintain the spirit of NFTY NO:

- I will work hard as MVP to make sure every person feels welcomed in this community
- Spring would be where these skills would be seriously tested. This event has new 8th grades coming into NFTY so I plan on making ice breakers that will introduce them to our Jewish Community NFTY NO has to offer

## Plans for Icebreakers and Welcome materials:

- Icebreakers are the simplest way to get people talking to others outside of their friend groups.
- Mixers are better for longer conversations with your fellow NFTY-ites *(Please don't be afraid to ask about my ideas!)*

## Planning the 8th grader's programming for Spring Kallah:

- I will work to keep the 8th graders engaged through conversations and activities that allow them to experience NFTY to its fullest
