

**DOMENIC BRACK**  
For NFTY-NO RCVP 5780-5781

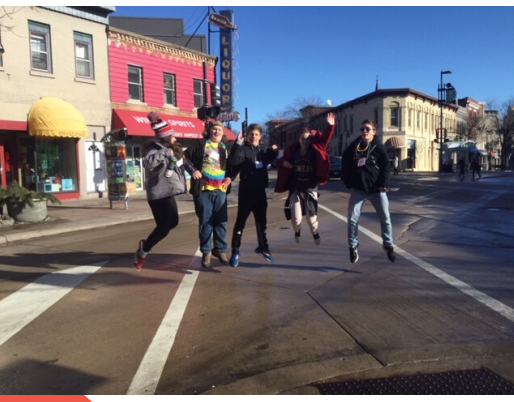

### Who is Domenic?

Hi. I'm Domenic, a Junior at Osseo Senior High School and a proud member of TIPTY. When I'm not at a NFTY event you can usually find me in one of two places, in my basement playing guitar, or in my office writing a script for a show or movie.

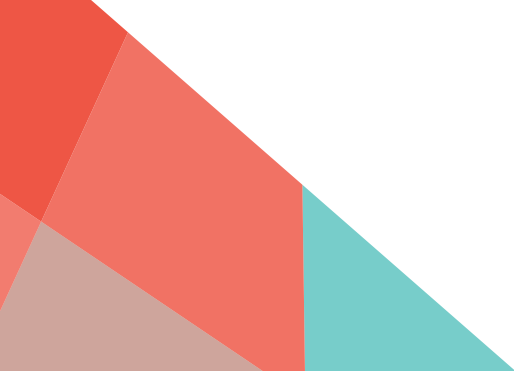

### Why RCVP?

The reason I chose to run for RCVP is simple, I love bringing judaism into everything. From services to everyday life, I always look for something in my day that connects to my jewish life. So when it comes to creating services and religious programming I love sitting down and spending time getting it all ready.

### What NFTY Means to Me

To me NFTY is a community of awesome people who always have each other's backs. Whenever I'm at a NFTY event I know I can always be myself and I can find new friends by just turning around and saying hello to the person standing behind me.
